Every college student needs legal documents:

- ✓ Power of Attorney
- ✓ Living Will
- ✓ Health Care Surrogate
- ✓ HIPAA Release

Because things aren't the way they used to be.

Today, without these documents, parents may not be able to get medical information about their child, even in an emergency. Parents also may not be able to help manage bank accounts and other finances on their behalf.

"Sign & Go" is a special flat rate package of \$495 that makes it easy and affordable for your college age student to get their essential legal documents done.

It's simple to GET IT DONE!

Fill out the form • Schedule an appointment • Bring your student to "Sign & Go!"
